

For chrome, metallic and reflective vinyls

3M™ Knifeless Tape Precision Line is engineered to give even the most challenging film installations a sharp, clean edge with its ultra-fine, ultra-sharp filament that cuts reflective, metallic, chrome, dry-erase and 3M™ DI-NOC™ films.

It is also a great option for paint protection film, plus many other vinyl films.

*Please see additional info for the different variations of Knifeless Tapes.
