

- **CONFORM 4050RLA**

Conform® 4050RLA is standard weight paper application tape coated with a medium tack rubber adhesive. It is ideal for masking of small and mid-sized die cut or prespaced vinyl and printed graphics. 4050RLA is the perfect choice for banner graphics, because it releases easier from the banner substrate following graphics application. 4050RLA® features Conform® technology with improved adhesion to paper or film release liners.

Features

Standard paper application tape
Medium tack rubber adhesive
RLA® Release Liner Adhesion technology

Benefits
