

VINYLEFX DECORATIVE FINE BRUSH SATIN COPPER

VinylEfx® films allow you to transform ordinary graphics into extraordinary statements! These eye-catching, glittering vinyls set your graphics apart from other printed images. Graphics produced with VinylEfx attract more attention, so your marketing message is noticed, read and remembered. The WOW factor is your competitive edge. VinylEfx Fine Brush Satin Copper is available in both outdoor durable and decorative series. For demanding applications such as truck and boat graphics and letters, durable series VinylEfx films are the superior choice. Decorative series VinylEfx films are perfect for indoor applications, such as point-of-purchase graphics and window displays.
