

SOTT MONTAGE HANDSCHOENEN

- Seamless
- Perfect fit
- Stretch

Seamless application glove, made of elastic material. The white material helps you to check whether the surface and/or the vinyl is clean. Because of the perfect fit it gives you the necessary feeling that you need during your application work, especially when you deal with curved surfaces on cars.

The glove is made of dust free material, so even touching the adhesive of the vinyl will not cause any residue to be left behind.
